Subject Second Request for Information Regarding Mining Activities
Within the Coeur d'Alene Basin, Northern Idaho

Cara and Kelly

As you know, we represent The Marmon Group, LLC and Group R. Co., Inc. Our response to your 104(e) request is due today. Our best efforts notwithstanding, we are not prepared to mail our written responses to you. While we have gathered most of the documents, the complicated corporate history of these companies, and the length of time that has expired since the actions giving rise to potential liability occurred, has made identification of the true party in interest difficult. I believe we are on the correct track, and hope to have our written responses and documents in the mail to you on or before June 20.

Please accept this as a formal request for a further extension of time to respond.

We appreciate your understanding and continued courtesy.

With kind regards,

Michael David Lichtenstein
